*Do Mstars fans think they make a cute couple?*

Well, maybe not!

The day after their "romantic" NYC date, Fifty alleged posted a photo of Ferreria on Instagram with the harsh caption:

"Big FAIL, super thirsty, new shoot this week coming. Unbelievable #smsaudio #Animal Ambition," 50 captioned the photo of Sally along with more warnings: "WARNING Do not attempt to work with this thirsty video bltch she sent photos of the video shoot to MediaTakeOut saying I'm in a relationship with her. CAN ANYONE SAY RESHOOT."

OUCH!

The post was quickly taken down, but not quick enough. *MTO* managed to capture a screenshot:
